Are there any health and safety issues at, or near, the site which the Inspector would need to take into account when visiting the site? Yes No

What is your/the appellant's interest in the land/building?

Owner

Tenant

Mortgagee

None of the above

E. GROUNDS AND FACTS

Do you intend to submit a planning obligation (a section 106 agreement or a unilateral undertaking) with this appeal? Yes No

(a) That planning permission should be granted for what is alleged in the notice.

(b) That the breach of control alleged in the enforcement notice has not occurred as a matter of fact.

The facts are set out in

[see 'Appeal Documents' section](#)

(c) That there has not been a breach of planning control (for example because permission has already been granted, or it is "permitted development").

(d) That, at the time the enforcement notice was issued, it was too late to take enforcement action against the matters stated in the notice.

(e) The notice was not properly served on everyone with an interest in the land.

(f) The steps required to comply with the requirements of the notice are excessive, and lesser steps would overcome the objections.

(g) The time given to comply with the notice is too short. Please state what you consider to be a reasonable compliance period, and why.

F. CHOICE OF PROCEDURE

There are three different procedures that the appeal could follow. Please select one.

1. Written Representations

(a) Could the Inspector see the relevant parts of the appeal site sufficiently to judge the proposal from public land? Yes No

(b) Is it essential for the Inspector to enter the site to check measurements or other relevant facts? Yes No

Please explain.

The plan of the site submitted by NNPA clearly shows 7 units. 1-3 are as on the plan, units 4 and 5 are materially different to that on the plan and unit 6 and 7 have never been built. This can only be ascertained by visiting the site.

The site is half a mile from a public road and is not visible from the public road. it can be seen from a public footpath.

2. Hearing

3. Inquiry

G. FEE FOR THE DEEMED PLANNING APPLICATION

1. Has the appellant applied for planning permission and paid the appropriate fee for the same development as in the enforcement notice? Yes No

2. Are there any planning reasons why a fee should not be paid for this appeal? Yes No

the box below

The unit is not covered by the planning application and has been in use as residential accommodation since 1990. Hence no planning permission is required.

It may be that a certificate of lawful use may be in our interests. however until we agree as to whether or not this unit is covered by the planning permission they are trying to enforce the way correct and legal way forward is unclear.

H. OTHER APPEALS

Have you sent other appeals for this or nearby sites to us which have not yet been decided? Yes No

Please give details, including our reference number(s), if known.

APP/T9501/W/18/3213244.
