

## Advertisement Consent and Listed Building Consent Checklist

**This document includes all the items within the National requirements and the NNPA Local Validation List which relate to this application type.**

This checklist refers to applications for consent to display an advertisement(s) and Listed Building Consent.

This document is for guidance: it lists and describes all the forms and other documents which must be submitted for this particular application type in accordance with our Validation Scheme. Northumberland National Park welcomes [pre-application discussions](#) to ensure that when a planning application is submitted, it is complete and correct.

We welcome applications submitted electronically [via the Planning Portal](#). The Planning Portal enables planning applications to be completed and submitted online. In addition, links are available to providers of appropriate Location Plans and an electronic facility to pay planning fees.

The relevant application form explanatory guidance notes are not currently available from the Planning Portal.

All applications are assessed against [The National Planning Policy Framework, national planning practice guidance](#) and the [Northumberland National Park Authority Core Strategy and Development Policies](#) document (March 2009).

## NATIONAL REQUIREMENTS

All applications must be accompanied by 1 original + 3 copies of the form and supporting documents = 4 in total ( unless submitted electronically ), together with the appropriate fee.

All submitted plans must incorporate a drawing number and title.
