This form is available in Large Print or other formats on request.

Your personal details will be used in accordance with statutory plan-making purposes set out by the Town and Country Planning (Local Planning) (England) Regulations 2012. The information will be used by the Planning Inspectorate and the Local Planning Authority in accordance with the GDPR and Data Protection Act 2018.

The documents being consulted on are as follows [*click to download*]:

- [Schedule of Main Modifications](#)
- [Sustainability Appraisal](#) of the Local Plan including Main Modifications
- [Habitats Regulations Assessment](#) (Main Modifications Statement)

The Schedule of Main Modifications is published showing proposed changes the Planning Inspector deems necessary in order to make the Local Plan sound and legally compliant. The representations made on this schedule will be considered by the Planning Inspector.

The consultation is open for 7 weeks from Tuesday 17th March to **Tuesday 5th May at 5pm**.

This form has two parts:

- Part A – Personal Contact Details
- Part B – Your representation(s) on the main modifications only

Next steps: At the end of the consultation period the Programme Officer will forward all representations to the Inspector who will consider them before finalising his report.

Representations should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation as there will not normally be a subsequent opportunity to make further submissions.

We support the proposed modification to policy DM16 paragraph 1. We query the decision not to amend the text in paragraph 3 which restricts traditional building stone to "an identified local need". We understood it was accepted at the EiP that the need should not be restricted to "local"..

PART B – Your representation(s)

Please use a separate sheet for each representation

1. To which main modification of the Local Plan does this representation relate?

MM (POLICY DM17)

2. or in the case of the Sustainability Appraisal (SA) of the Local Plan including Main Modifications (Tracked Changes) or the Habitats Regulations Assessment (HRA) Main Modifications Statement, the relevant page and paragraph number:

HRA: SA: (tick one). Para no.: Page:

3. Please provide comments on the Main Modification in the box below.

Representations should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation as there will not normally be a subsequent opportunity to make further submissions.

We would like to seek clarification on one additional point which was discussed and agreed at the EiP, but which is not addressed in the published main modification which relates to Policy DM17. At the EiP it was agreed that Minerals Safeguarding Areas would reflect the underlying geology and not restricted to the areas shown on the proposals map. As the proposals map does not appear to accompany the Main Modifications, it is unclear if this point is being addressed.
