Job Description: members of National Park Authorities¹

National Park Purposes

Each National Park Authority exists to conserve the natural beauty, wildlife, and cultural heritage of its area, to promote wide public understanding and enjoyment of them and, with others, to seek to foster the economic and social wellbeing of communities in the Park.

Purpose of the Role

The overall purpose of the Chair and members is to ensure that the National Park Authority fulfils the National Park purposes to the full and does so in the way that best suits the special characteristics of the National Park. They have a duty to achieve the efficient, effective and accountable governance of the Authority in the best interests of the National Park and to provide leadership, scrutiny and direction for the organisation as a whole in pursuing the aim of sustainable development – balancing and integrating the environment, social and economic considerations. The primary purpose of the role of the member is to work with the Chair, Chief Executive² and other members to discharge the functions of the Authority and to steer and champion the management of the Authority so that it delivers benefits to the nation and its local communities in accordance with National Park purposes.

Key Functions

- act with independent judgement;
- use your skills experience, local, regional and national knowledge for the benefit of the Authority;
- to participate collectively in the development of policy direction, strategic thinking and innovation within the Authority, through the development of management policy, business plans and participation in the activities of the Authority's Working Groups³;
- to scrutinise independently the workings and policies of the Authority;
- be committed to working in the best interests of the National Park;
- influence the Authority to help it come to informed and balanced decisions;
- seek clarification of policy and action proposals if appropriate;
- challenge proposals that exceed or go against the statutory purposes of the Authority;
- accept collective responsibility for the decisions of the Authority;
- approve and monitor programmes to implement the Authority's policies;
- contribute opinions and advice from local, regional and national perspective;
- work with members, staff and stakeholders to apply the principles of sustainable development and the principles of National Parks to all decision-making;

¹ Reference to National Park Authority includes for this purpose the Broads Authority which was established under its own Act of Parliament and has a third duty to protect the interests of navigation (Note: deleted because future as harbour authority questioned by Department for Environment, Food and Rural Affairs,(Defra) officials.

² National Park Officer in some parks and Chief Executive in others.

³ Note: A Member's role is not to micro-manage the Authority, staff are employed to run the business of the Authority, but performance information needs to be available so that members could be certain that the Authority is delivering against its approved plans.

- be an ambassador for the National Park;
- help to promote the profile and effectiveness of the Family of National Parks both through the work of your own Authority, co-operative action such as peer support and peer review and co-operation with the work of Defra, Natural England and the National Parks UK/National Parks England.

In order to achieve this, members will be expected to:

- attend and contribute to regular meetings of the Authority, its committees and working groups and raise issues of concern through the established procedures and mechanisms adopted by the Authority;
- read and understand, and seek clarification where necessary from lead officers, of briefing material provided for meetings so that you will be properly prepared for any debate on issues across the full range of the Authority's responsibilities;
- champion and represent the Authority as an effective mechanism for promoting conservation of the National Park's natural beauty, wildlife and cultural heritage, increasing public understanding and enjoyment of its special qualities and maintaining the social and economic wellbeing of local communities; and in the case of the Broads Authority, protecting the interests of navigation;
- become engaged in and demonstrate the Authority's commitment to the equalities agenda.⁴
- attend appropriate training courses, briefing sessions and events arranged or sponsored by the Authority and National Parks England;
- adhere to the Standards of Conduct, Accountability and Openness of the National Park Authority *and attend the "Code of Conduct" training.*

There will be opportunities to:

- serve on committees and working groups dealing with particular issues affecting the National Park;
- champion or lead a specific area of the Authority's work;
- talk about the work of the Authority to local community groups;
- learn about the National Park and other protected landscape matters on field visits and fact finding tours;
- meet other people responsible for National Park matters.

Performance Measurement

The Government, with National Parks England, is working up ideas for measuring the effectiveness of Authorities and their individual members. In the meantime, the following proxy measures provide a starting point for members and others to gauge the contribution which they are making to the life of the Authority -

Attendance at main Authority meetings:

- The measure being the % of full Authority meetings and approved duties actually attended which that member could have attended.
Target: at least 75% and 75% of each specific meeting.

⁴ Specific to NNPA until NPUK job description is updated.

Purpose: to monitor participation and commitment.

- Representation of the Authority at approved external meetings and events:
Purpose: to ensure an even distribution of workload, and to monitor this workload in line with 'reasonable expectations' of time commitment.
- On average spend a minimum of two days a month on Authority business

Job Description: Chair of the Authority

National Park Purposes

Each National Park exists to conserve the natural beauty, wildlife, and cultural heritage of its area, to promote wide public understanding and enjoyment of them and, with others, to seek to foster the economic and social wellbeing of communities in the Park.

Purpose of the Role

1. To champion the purposes of the National Park and provide dynamic and effective, strategic leadership in partnership with members, the Chief Executive in the achievement of the Authority's statutory duties and relevant targets.
2. To monitor performance and offer guidance and support to Members to ensure the good public standing of the Authority is upheld and also to promote the professional development of Members so that they can carry out their role effectively.

Key Functions

- To chair meetings of the Authority and ensure that standing orders and good practice are complied with at all Authority meetings.
- To represent the Authority at a national, regional and local level in its relations with key stakeholders and communities.
- To represent the Authority's views as necessary to the press and media and play an ambassadorial role in promoting positive relationships with external parties and organisations.'
- Working with members and the Chief Executive to ensure that the Authority's actions, decisions and use of resources are consistent with the purposes of designation and the legal responsibilities of the Authority.
- To act as a link between the Authority and the relevant Minister, national agencies, and the other National Park Authorities. Reporting, liaising, and representing the Authority to government and working with other national park authorities to influence national and regional policy.
- In accordance with the Authority's members Performance Assessment Framework to assess members' performance as appropriate and report to the Secretary of State⁵ and appointing authorities accordingly.
- To be a member of the selection panel which makes recommendations to the Minister on the appointment of new "national" members to the Authority.
- To develop and maintain an effective working relationship with the Chief Executive providing support and guidance as necessary and acting as a bridge between members and officers.
- To monitor the welfare and performance of the Chief Executive and ensure there is an effective appraisal and development process in place.

⁵ There is a requirement to assess the performance of Secretary of State appointees on an annual basis. The DEFRA Review suggests that a performance system should be developed for all members - initially as a minimum appointing body will be informed of the attendance record of the members. Chairmen of Authorities are not appraised but are subject to annual election by all members. As the peer-review model is developed a member appraisal of the Chair's performance may be developed.

- To foster the working relationship with all other UK National Parks and promote the interests of UK National Parks through National Parks UK/National Parks England and Europarc.

Specific to Northumberland National Park Authority

- Chair of Chief Executive and Directors Performance Review Panel
- National Parks UK representative
- National Parks England representative
- Will be expected to work with the Chief Executive and lead officers to set the agenda for meetings that they chair and check the draft minutes of these meetings before submitting for approval.

Job Description: Representative on Northumberland National Park and County Joint Local Access Forum

Background Information

Local Authorities and National Park Authorities were required, under the Countryside and Rights of Way Act 2000, to establish a local access forum to provide strategic advice to various organisations [Section 94 (4) bodies] on *‘the improvement of public access land in that area for the purpose of open-air recreation and enjoyment of the area and as to such other matters as may be prescribed’*. The CROW Act requires organisations to which the JLAF provides advice to, to take the forum’s advice seriously. JLAF membership should be balanced between different interests in the countryside so it can provide well-argued and un-biased advice. Northumberland National Park and County Joint Local Access Forum (JLAF) was established by Northumberland County Council and Northumberland National Park in May 2013 and is one of only two joint local access forums in the country.

Purpose and requirement of the Role

This position is to represent the Authority on the JLAF and ensure that wider access and recreation issues are represented in the Authority’s corporate policies, plans and strategies. The Defra Local Access Forum Regulations (2007) allow for up to three appointing authority representatives on each local access forum and as far as possible these members should represent that same categories as other members i.e.

- a. users of local rights of way;
- b. owner and occupiers of access land or land over which local rights of way subsist;
- c. any other interests especially relevant to the authority’s area (or areas in the case of a joint local access forum).

Key Functions

- To attend the four main JLAF meetings per year held around the County.
- To serve on working groups, provide input and attend meetings.
- To report back regularly to the Head of Programmes & Conservation and the Authority on the work of the JLAF.
- Attend training events.

Link Officers

Conservation and Environment Manager
Access and National Trails Officer
Corporate Support Officer

Skill / Knowledge Requirement

- Interest and appreciation of wider access and recreation both in the National Park and the wider county of Northumberland.
- Good verbal and written communication skills.
- Advocacy, listening and influencing skills.
- Confidence, diplomacy and the ability to work as part of a team.
- Ability to work constructively with competing interest.

Job Description: Harden Quarry Liaison Committee Representative (two)

Background Information

Harden Quarry has an established Liaison Committee which meets two times a year. Each Liaison Committee meeting includes a site visit and takes approximately four hours. The Liaison Committee provides a forum for discussion between the operator, the County Council, the National Park Authority, and representatives of the local community for exchange and dissemination of information in relation to the operation of the quarry. Two places on the liaison committee are available for members of Northumberland National Park Authority.

Purpose of the Role

To represent Northumberland National Park Authority on the Harden Quarry Liaison Committee

Key Functions

- To attend meetings of the Harden Quarry Liaison Committee, and to raise at those meetings any concerns or issues relating to the National Park arising from site operations.
- To advise the Head of Development Management of any operational updates provided at the meetings which may have an impact upon the National Park.
- To liaise with the Authority's Head of Development Management and Planning Officers during consultations on any future proposals to extend Harden Quarry.

Job Description: Policy Conference lead member

Policy Conferences Purpose

Member policy conferences are a key aspect of the Governance of Northumberland National Park Authority. Unique within the overall Governance structures, Policy Conferences represent the opportunity for members of the Authority to consider key strategic subjects which relate to the work of the Authority or the Authority's overall operational environment.

As such Policy Conferences represent a key opportunity for members of the Authority to undertake some key forward looking discussions, not necessarily related to specific areas of operational work or specific policy development. The aim of Policy Conferences is to allow members to help shape the work of the Authority beyond assurance, compliance or other aspects of governance or approval, and often provides Members with an opportunity for shared knowledge and understanding on key policy issues.

Members Policy Conferences are member led, with members, working with the senior executive and as appropriate external partners, defining the areas they wish to cover in Policy Conferences. To this end the Authority appoints one of its members as Policy Conference lead member.

Purpose of the Role

To act as the lead Member for Policy Conferences to ensure that the subjects of Policy Conferences are agreed and timetabled in accordance with the corporate meeting calendar (2 policy Conferences per annum).

Key Functions

- To scan the internal and external environment and canvass members and the executive on the subjects to be covered in Policy Conferences.
- To work with relevant executive officers to prepare supporting materials and papers to support Policy Conferences.
- To identify relevant members or external contributors to help shape and inform the content of Policy Conferences.
- To work closely with officers and members to ensure a positive and long-term strategic approach to the planning of the Authority's Policy Conferences.
- To ensure that a record is kept of all Policy Conferences and any necessary follow up or key outcomes reported to all members of the Authority.
- To attend any working groups, seminars, meetings or similar as necessary to pursue the role of lead members for Policy Conferences.
- In agreement with the Leadership Team and Chair of the Authority to represent the Authority to the media and publicly on matters relating to the subject of or outcome of Policy Conferences.

Link Officer(s)

Chief Executive and any other relevant executive officer as agreed by the Chief Executive

Skill / Knowledge Requirement

Strong Policy experience/understanding

Research skills

Partnership working

Communication Skills

An interest in and appreciation of the National Park's wider policy and operating environment
